MEMORANDUM FOR

Herewith is the proposed memorandum to the Intelligence Chiefs, entitled, "Interdepartmental Intelligence Production Program," drafted in October but never sent out, as you will note from the memos and the notes attached thereto.

We think that NSCID No. 3, re production, will soon (?) be issued, as well as the new DCI 3/1 (old DCI 4/1), re objectives.

It might, therefore, be a good scheme to redraft the attached interdepartmental intelligence production program memo, based on NSCID No. 3 as a DCI 3/2 so that it can be considered as soon as NSCID No. 3 and DCI 3/1 have been formally issued.
